

## Sister Chain & Brother John - PA and Backline Requirements

**Please notify management if any of the following items is unavailable so we can modify our set accordingly and/or bring more gear.**

8-channel desk with reverb effect option.  
House-PA - strong enough for the venue.  
3 monitors (2 if there is no piano).  
1 amp for use with electric bass and guitar (for example valve combo with 12" Speaker) .  
1 floor tom.  
1 cymbal with stand.  
1 piano (not a must, but if there is one available, we'd like to use it).  
Plus all mics, stands and cables needed.

Thank you very much.
